Quick Start Guide

www.datavideo.com

Warranty

Standard Warranty

- ◆ Datavideo equipment is guaranteed against any manufacturing defects for one year from the date of purchase.
- ◆ The original purchase invoice or other documentary evidence should be supplied at the time of any request for repair under warranty.
- ◆ Damage caused by accident, misuse, unauthorized repairs, sand, grit or water is not covered by this warranty.
- ◆ All mail or transportation costs including insurance are at the expense of the owner.
- ◆ All other claims of any nature are not covered.
- ◆ Cables & batteries are not covered under warranty.
- ◆ Warranty only valid within the country or region of purchase.
- ◆ Your statutory rights are not affected.

Two Year Warranty

- ◆ All Datavideo products purchased after 01-Oct.-2008 qualify for a free one year extension to the standard Warranty, providing the product is registered with Datavideo within 30 days of purchase. For information on how to register please visit www.datavideo-tek.com or contact your local Datavideo office or authorized Distributors
- ◆ Certain parts with limited lifetime expectancy such as LCD Panels, DVD Drives, Hard Drives are only covered for the first 10,000 hours, or 1 year (whichever comes first).

Any second year warranty claims must be made to your local Datavideo office or one of its authorized Distributors before the extended warranty expires.

Disposal

For EU Customers only - WEEE Marking

This symbol on the product indicates that it will not be treated as household waste. It must be handed over to the applicable take back scheme for the recycling of electrical and electronic equipment. For more detailed information about the recycling of this product, please contact your local Datavideo office.

Introduction

SE-2800 is designed for the event and activity that need more than 3 cameras to produce the program. It includes a digital video switcher and a processing unit which provides users with the flexibility to extend the HD/SD-SDI IN from 8 to 12 by simply install and configure the optional digital video input board at the rear.

Fitting DV IO Board

The SE-2800 has been designed to allow DV IO Board to be easily added or changed to suit your requirements.

The SE-2800 is supplied with blanking plates, which cover the unused slots.

To remove the blanking plates simply unscrew the screws of each plate and it will pull away, and then you can change DV IO Board.

Service & Support

It is our goal to make owning and using Datavideo products a satisfying experience. Our support staff is available to assist you to set up and operate your system. Contact your local office for specific support requests. Plus, please visit www.datavideo.com to access our FAQ section.
