Navigate ISE 2026 with Holdan

This guide is designed to help you explore our partner vendor stands, whether you're joining a guided tour or navigating the show at your own pace. Discover the people, products and innovations shaping the professional AV landscape in 2026.

We've organised our partner brands by hall and highlighted the key categories they'll be showcasing, making it easy to plan your visit. Be sure to stop by the Midwich stand to meet the team and enjoy some refreshments along the way.

Reach out before the show, or even during it. You'll find more details on page 2 of this guide.
