

Change is coming!

We're getting better for you.

**We're excited to announce that a brand-new Holdan website will launch on
13 APRIL 2026!**

Designed to deliver a cleaner, faster and more intuitive experience, the new site will make it easier than ever to explore our products, services and support. We can't wait to share what's coming.

WHY THE UPDATE?

We're updating our website to bring you a more seamless and modern online experience.

Please note that the URL for our website will remain the same: www.holdan.co.uk

This change will allow us to offer 24/7 online ordering and real-time stock levels, giving you greater flexibility and convenience whenever you need it. **It also ensures we have a consistent, unified online presence that aligns with the rest of the Midwich Group, making it easier for customers to engage with us across all platforms.** This upgrade is an important step in improving our service and strengthening our digital identity for the future.
