

Item Number	Professional 4K Camera Range	List Price (GBP)
PAN-AGCX350EJ	<p>Panasonic AG-CX350EJ 4K HDR 10-bit Handheld Camera</p> <p>The AG-CX350 is the next generation of 4K camcorders, expanding the usability of the handheld camera recorder beyond conventional newsgathering and recording application to meet a wide range of professional needs. The AG-CX350's lens is the widest-angle in the industry at 24.5mm, allowing the capture of wide-angle images with minimal distortion, whilst the optical zoom of 20x covers up to 490mm telephoto in all modes. The i.Zoom functionality enables seamless zooming of up to 32x in HD or 24x in UHD with no degradation in zoom, whilst the CX350 also comes with a digital 2x, 5x and 10x zoom. The AG-CX350 features HLG (Hybrid Log-Gamma) support for HDR capture, and can be selected from eight in-camera modes (HD, SD, FILMLIKE 1, FILMLIKE 2, FILMLIKE 3, FILM-REC, VIDEO-REC, HLG).</p> <ul style="list-style-type: none"> • New 1.0" 15M Sensor brings 2000TV-lines and F12/F13 Sensitivity • Superb 4K Image with 10bit Codec: ALL-I, 422LongG and New HEVC LongG • Supporting HLG (Hybrid Log Gamma) and SDR Monitoring • Industry's Widest Class Lens with 32x Intelligent Zoom and 5-Axis Hybrid I.S. • HD Live Streaming to Connect Directly to Facebook and YouTube Live 	£3,416
PAN-AUEVA1	<p>Panasonic AG-EVA1 Compact 5.7K Super 35mm Cinema Camera</p> <p>The AU-EVA1 compact, lightweight cinema camera contains a newly designed 5.7K Super 35mm-sized sensor for capturing true cinematic images. By starting at a higher native resolution, the 5.7K sensor yields a higher resolving image when down sampled to 4K, UHD, 2K, and even 720p. The increased colour information results in a finer, more accurate finished image.</p> <ul style="list-style-type: none"> • EF Mount 5.7K Super-35 Sensor, Dual Native ISO • HDMI & SDI 4K video outputs, XLR Audio • 4K 60p / 2K up-to 240p • 422 10-bit • Video Codec up to 400 Mbps for robust recording • V-log & V-gamut • Electronic Image Stabilization (EIS) • IR Cut In/Out, ND Filter Wheel (2/4/6 stops) • SD card recording 	£6,025
PAN-AGDVX200	<p>Panasonic AG-DVX200 4K Fixed Lens Camcorder</p> <p>The world's first 1/4.3-type large format, 4K/60p camcorder to feature an integrated zoom lens</p> <ul style="list-style-type: none"> • Newly developed F2.8 LEICA DICOMAR 4K lens. • 13x zoom, 4K (4096 x 2160) 24p: 29.5 mm - 384.9 mm • FHD: 28mm - 365.3 mm (35 mm film equivalent) • 5 axis Hybrid Image Stabilizer • Intelligent Auto Focus system • ND filters (1/4, 1/16, 1/64) • Beautiful Bokeh effects from a 4/3-type, large-format sensor 	£4,169
PAN-AGUX90	<p>Panasonic AG-UX90 4K (UHD) / FHD Camcorder</p> <p>The AG-UX90 is the for easy, high-quality 4K/FHD recording. It is equipped with a newly designed compact lens featuring a wide 24.5mm angle*1 and 15x optical zoom. Its Optical Image Stabilizer (O.I.S.), intelligent AF function, and Manual Three Rings are ideal for professional camera work.</p> <ul style="list-style-type: none"> • 15x Optical Zoom LEICA DICOMAR Lens • UHD/FHD/SD Multi-format • FHD VFR Recording can be set in 9 steps from 2 to 50 fps. • HDMI Video Output up to UHD 25p and FHD 50p • Video/Audio analogue outputs signals for video and audio monitoring • Two channels of XLR audio input (with switchable 48 V phantom power supply, MIC and LINE) • iPad Remote Control using optional AJ-WM50 wireless module 	£2,036
PAN-AGUX180	<p>Panasonic AG-UX180 4K 60p/50p Camcorder</p> <p>The AG-UX180 is the with professional functions and specifications for high-end users. This model is equipped with a newly designed compact lens featuring a wide 24mm angle and 20x optical zoom as well as a 1.0-type (effective size) high-sensitivity MOS sensor. Its evolved Optical Image Stabilizer (O.I.S.) and intelligent AF function are suitable for professional camera work.</p> <ul style="list-style-type: none"> • 20x Optical Zoom in a Camcorder with 1.0-type Sensor • 4K/UHD/FHD/SD Multi-Format Recording • VFR recording (2 fps to 60 fps)/Super-Slow Motion (120 fps/100 fps) • UHD/FHD Dual Codec Recording • HDMI Video Output up to 4K 24p, UHD 60p and UHD 50p • Video/Audio analogue outputs signals for video and audio monitoring • Two channels of XLR audio input (with switchable 48 V phantom power supply, MIC and LINE) • iPad Remote Control using optional AJ-WM50 wireless module 	£3,062
Item Number	Professional 4K POV Camera	List Price (GBP)
PAN-AGUCK20GJ	<p>Panasonic AG-UCK20 Compact Camera Head</p> <p>Compact, lightweight design - remote operation allows the camera to be installed in places and angles where a camera head couldn't be located</p> <ul style="list-style-type: none"> • High-resolution, progressive MOS sensor – supports UHD at 29.97p/23.98p/25p*, FHD at 59.94p/50p/23.98p • Optical 20x zoom lens wide a 29.5mm wide-angle – also includes Intelligent Zoom • Optical Image Stabilisation (OIS) • Five-Axis Hybrid Image Stabilisation – this supports the OIS to detect and correct rolling motion • Picture Adjustment – 16-axis independent colour correction, optical ND filters, dynamic range stretch, gain and iris • IR Shooting Mode, Pre-Record • Built-in stereo microphone • Optional cables are identical to first-generation POV-CAM – supports easy system replacement • Scan Reverse Mode – image inversion for shooting with a ceiling-mounted camera head 	£1,863
PAN-AGUMR20EJ	<p>Panasonic AG-UMR20 Compact Field Recorder</p> <p>Improved recorder operation – a 3.5", 16:9 touch-panel display and the option of 13 large user buttons support ease of operation, whilst the image displayed can be reversed vertically to match installation conditions</p> <ul style="list-style-type: none"> • Key-lock function – allows operation buttons to be temporarily disabled to prevent operational mistakes • LAN terminal for IP streaming and IP control – supports video and audio streaming distribution to networks, file transfers and external control. Access from PCs and tablets is achieved by web browser with no application required • Remote terminal for focus and iris control – two remote terminals provide fingertip control in addition to the existing Rec Start/Stop and Zoom operations • Simultaneous output of 3G-SDI input/output and HDMI output • Waveform and Vector Scope display supported • Audio input – a stereo mini-jack is equipped, with LINE IN/MIC IN switchable 	£2,396
Item Number	Professional AVC-HD Camera Range	List Price (GBP)

	Panasonic AW-HEA10 Control Assist Camera Controller Control Assist remote camera accessory that allows quick and easy remote camera control. Users can control the camera by simply tapping the appropriate point on their tablet screen. The system can be controlled via joystick, which can be used to make even the smallest adjustments to the camera's position. The 'tap' technique means that operators can keep up with the action in near to real time, with no delays as a result of slow camera movement. IP image transmission allows the user to roam with the tablet, seeing areas that may be out of the camera's view. Simple operations means that there is no need for specialist camera support. Can be used in conjunction with VidiGo Live studio automation system  HE Camera not included
