

Item Number	Syrp Genie motion control	List Price (GBP)
SYRP-0030-0001 	Syrp Genie Motion Control Time-Lapse Device. The Genie is a simple, portable solution for motion control Time-lapse Real-time video. Designed to be part of your regular camera kit, with no external wires, batteries or controllers there's no need to ever go without the option of motion control again.	£495
SYRP-0032-0001 	Syrp Genie Mini Panning Motion Control System. Motion Control in your pocket! The Genie mini is an extremely easy-to-use device to create smooth panning motion time-lapse or real-time video. Wirelessly connect to the Genie Mini using the Syrp Genie App for quick setup and simple control.	£194
SYRP-0033-0001 	Syrp Genie Mini II Panning Motion Control System. Genie Mini II includes all the latest Syrp technology that was integrated into Genie II Linear and Genie II Pan Tilt, like WiFi, USB-C and Bluetooth 4.2. This means that it is now fully compatible with future software releases that includes advanced features like camera control, auto exposure ramping, time-lapse compiler and much much more	£199
SYRP-0038-0003 	Syrp Genie II Linear. Genie II Linear is a highly portable, intelligent and versatile solution for motion control. Our unique Genie ropesystem can attach to any slider, dolly or cable-cam for precise linear motion control up-to 100m in length. Genie II Linear comes packed with features including time-lapse, key-framing, camera control, live view and more. Using the very latest technology in high-speed wireless communication and motor control the Genie II offers an unparalleled motion control system, controlled via iOS or Android.	£685
SYRP-0031-0001 	Syrp Genie II Motorized Pan/Tilt Head. Portable camera motion control in your backpack, Genie II Pan Tilt offers the filmmaker a world of options when outfilming. Use with a tripod for precise Pan and Tilt camera control or combine with Genie II Linear for 3-Axis motion control. Stronger, faster and quieter than its predecessor, the Genie II comes packed with features including timelapse, video, keyframing, camera control**, live view** and more. Using the very latest technology in high-speed wireless communication and motor control the Genie II offers an unparalleled motion control system, controlled via iOS or Android.	£1,212
Item Number	Syrp Genie accessories and spare parts.	List Price (GBP)
SYRP-0003-0001 	Syrp Pan Tilt Bracket for Genie and Genie Mini. The Pan Tilt Bracket from Syrp allows you to create dynamic 2-axis and 3-axis time-lapse and real-time videos with varied combinations of Genie and Genie Minis. Two individual brackets are included: one to mount a Genie Mini in a vertical orientation onto a second Genie Mini (or Genie), and one to mount your camera. Used together, the two brackets allow you to use the base Genie/Genie Mini to control pan axis, with the vertically oriented Genie Mini controlling the tilt axis. For 3-axis movements, use with brackets in conjunction with a slider-mounted Genie	£70
SYRP-0025-0001 	Syrp 8" Aluminum Turntable Platform. Designed for use with the Genie Mini time-lapse rotator, the 8" Aluminum Turntable Platform from Syrp has a cheese-plate design with 1/4"-20 taps in its surface for products weighing up to 8.8 lb. Mounted to the Genie Mini, the turntable will make a 360-degree rotation in 33 seconds. The Turntable Platform ships with a white and a black cardboard background disk. <ul style="list-style-type: none"> • For 360° Product Photos and Videos • Use with the Syrp Genie Mini • Cheese-Plate Style Mounting Holes • 1/4"-20 UNC Mounting Points • Downloadable Template • Can be Used Upside Down or Wall Mounted 	£62

SYRP-0018-0019	 <p>Syrp Magic Carpet PRO End Caps and Carriage. The Syrp Magic Carpet PRO End Caps and Carriage complete the Magic Carpet PRO slider. Install these on your Magic Carpet PRO track, and you'll be ready to film smooth tracking shots and time-lapses with your mirrorless camera, DSLR, or cinema camera. The carriage features a weighted flywheel which provides extra inertia, damping sliding motion for smoother results. Syrp's quick release system on the carriage lets you quickly install the Genie system or camera mounting equipment. Both end caps incorporate collapsible legs with feet that can adjust to the terrain. Hooks on the end caps can secure the Genie rope for time-lapse functionality.</p> <ul style="list-style-type: none"> • Completes Magic Carpet PRO Slider • Syrp Quick Release System • Collapsible Legs • Fine-Adjustment Feet 	£468
SYRP-0018-0009	 <p>Syrp Magic Carpet PRO Short Track (600mm) The Syrp Magic Carpet PRO Short Track is a 2' track extension for Magic Carpet PRO sliders.
