# Monitor Handle

## (VESA Compliant)

The INOVATIV Monitor Handle is a VESA compliant carrying solution for monitors with VESA hole patterns of either 100mm x 100mm or 75mm x 75mm - including production monitors, computer monitors, and more. The handle features multiple 3/8"-16 and 1/4"-20 mounting points which allow users to easily add accessories such as wireless video receivers or web cameras, further streamlining and consolidating their monitor workflow.

### KEY FEATURES

- Compatible with 100 x 100mm or 75 x 75mm Vesa mounting holes
- Supports the monitors of all sizes and weights
- Multiple 3/8"-16 and 1/4"-20 mounting holes for attaching accessories
- Simple to install
- Premium grade materials and craftsmanship
- Constructed of 6061 T6 aluminum, stainless steel hardware throughout, corrosion resistant
