### Description

The camBag Single 1 is a compact, soft padded and lightweight camera bag that fits a professional camcorder up to 39 cm/ 15. 4 inches.

The bag has an outside pocket with zipper on the front and a mesh pocket with zipper on the back. This way you can store small items and documents and have quick access to it.

The small size of the bag allows you to stay flexible during your activities and makes it easy to transport.

This camBag also allows you to customize the interior with the 2 removable dividers which are included.

The bag is made of water-resistant 1000 denier Cordura® nylon with reinforced sides. This creates a solid frame that protects your gear in the most extreme conditions.
