### Description

The camBag Combo is a compact, soft padded and lightweight camera bag that fits a professional camcorder up to 58 cm/ 22.8 inches, including accessories.

To accommodate the necessary accessories, this bag has various pockets and compartments on both the inside and the outside. Suede padded hand grips and a removable shoulder strap allow you to carry the bag comfortably in any situation.

This camBag is made of water-resistant 1000 denier Cordura® nylon with reinforced sides. This creates a solid frame that protects your gear in the most extreme conditions.

The Combo has 2 soft padded dividers and 4 smaller dividers to customize the interior and optimally protect your equipment from damage. The kind of dividers that are used allow you to transport your (partially) assembled camera safely.

The double zippered lid which closes in the middle of the bag, allows quick and easy access.
