

Productname: camRade lightBag ROLL
SKU: CAM-LIGHTB-ROLL
EAN/UCC: 8718591670206

Resistant against:

Description

The camRade lightBag is made of 1000 denier grey Cordura® fabric and YKK® zippers, designed to carry 3 monolights and 3 light stands. The wheels on the bag allow easy transportation without carrying.

Inside there are three mesh pockets that can be closed of with a zipper to safely store smaller items such as filters.

Besides transportation via the wheels, the bag can be carried by the suede top handle or the supplied removable and adjustable suede shoulder strap with soft padding.

The adjustable dividers with hook and loop fasteners allow you to customize the interior of the bag and store the various light panels in separate compartments. One larger divider, which covers the complete length of the bag, secures the stands separated from the light panels.
