

Productname: camRade transPorter 1
SKU: CAM-TRANSP-1
EAN/UCC: 8718591670053

Resistant against:

Description

The camRade transPorter 1 is designed to carry professional audiovisual accessory gear such as; cables, batteries, chargers, microphones, lenses, etc.

This compact bag is made of 1000 denier Cordura® fabric with foam padded interior and blue nylon lining. The double zippered lid which closes in the middle of the bag, allows quick and easy access.

An adjustable divider set is supplied to customize the inside of the bag to your requirements. The bag has a large pocket on front with zipper, 2 small side pockets with hook and loop fasteners and 3 straps with hook and loop fastener on the front for attaching a boom pole.

You can comfortably transport the bag by using the suede handles on top, or the removable and adjustable suede shoulder strap with soft padding.
