

**Productname:** camRade transPorter 2  
**SKU:** CAM-TRANSP-2  
**EAN/UCC:** 8718591670060

Resistant against:

### Description

The camRade transPorter 2 is designed to carry professional audiovisual accessory gear such as; cables, batteries, chargers, microphones, lenses, etc.

This compact bag is made of 1000 denier Cordura® nylon with foam padded interior and a nylon lining. The bag has a square shape which makes it easy to stack.

It features one large pouch on front and a small one the side. Both are closed with hook and loop fasteners. Underneath the lid, a large mesh pocket with zipper offers room to store documents or small items. Two adjustable dividers are supplied to customize the inside of the bag to your requirements.

You can comfortably transport the bag by using the leather handle on top, or the removable and adjustable suede shoulder strap with soft padding.

### Key features

- Suited for a wide variety of av-accessories
- Water-resistant 1000 denier Cordura® exterior
- Reinforced sides with soft padded interior for maximum protection
- Separate pockets on front and sides for additional accessories
- 2 Padded dividers to customize interior layout
- Padded suede shoulder strap and one leather handle on top for optimum carrying comfort
- Strong, high quality YKK® zippers
- Handmade in France, Europe
- 5 Year warranty
