EAN/UCC: 8718591670077

Resistant against:

Description

The camRade transPorter XL is a spacious bag designed to carry professional audiovisual accessory gear such as; cables, batteries, chargers, microphones, lenses, etc.

This bag is made of 1000 denier Cordura® nylon with foam padded interior and a nylon lining.

It features 5 small pouches on front that can be closed with hook and loop fasteners. Underneath the lid, 3 large mesh pockets with zipper offer room to store several documents and small items.

Two adjustable dividers set is supplied to customize the inside of the bag to your requirements. The bag also has a mesh pocket with zipper on the back and 3 straps with hook and loop fastener on the front for attaching a boom pole.

You can comfortably transport the bag by using the leather handle on top, or the removable and adjustable suede shoulder strap with soft padding.
