**SKU:** CAM-WS-PMWF5-F55  
**EAN/UCC:** 8718591670787

Resistant against:

### Description

The camRade wetSuit PMW-F5/F55 is a tailor-made rain cover that fits both the Sony PMW-F5 and the PMW-F55 camera. Made of a special fabric with soft lining it protects your camera against bad weather conditions.

The near silent fabric minimalizes unwanted sound effects caused by wind and rain. The cover also reduces the chance of the camera overheating by allowing hot air to escape via the breathing material over the vents, while protected against rain from seeping in.

The wetSuit has clear vinyl windows for visibility when adjusting the menu, audio input select level or other controls. The top handle and viewfinder are also covered. The bottom of the suit is open and the back of the cover can be opened for access to the battery section.

This item will be delivered to you in a waterproof pouch with zipper, which you can use for storage and transportation of the cover when not in active use.

### Key features
