

**Productname:** camRade wetSuit AG-DVX200  
**SKU:** CAM-WS-AGDVX200  
**EAN/UCC:** 8718591671319

Resistant against:

### Description

The camRade wetSuit AG-DVX200 is a tailor-made rain cover that protects your Panasonic AG-DVX200 4K Handheld Camcorder against bad weather conditions.

The soft fabric lining minimalizes unwanted sound effects caused by wind and rain during operation. The cover also reduces the chance of the camera overheating by allowing hot air to escape via openings and vents.

The viewfinder LCD monitor is completely protected by a cover with large vinyl windows that provide full view. On the side you'll find a vinyl window that can be opened for easy access to the controls. Under the eyepiece we also added a window that can be opened with hook and loop fasteners. The bottom of the cover can be opened and closed with a double zipper.

This wetSuit is supplied in a waterproof pouch with zipper, which you can use for storage and transportation of the cover when not in active use.
